FinCEN Advisory

Subject:
**Transactions
Involving
Niue**

Date:
November 2002

Advisory:
Issue 22A

WITHDRAWAL

This Advisory is being issued to inform banks and other financial institutions operating in the United States that Financial Crimes Enforcement Network (FinCEN) Advisory 22, regarding Niue, is hereby withdrawn.

Since the issuance of Advisory 22, Niue has enacted significant reforms to its counter-money laundering system, addressing the points noted in Advisory 22, and has taken concrete steps to bring these reforms into effect. Because of the enactment of new laws and the beginning of effective implementation, enhanced scrutiny with respect to transactions involving Niue, as called for in Advisory 22, is no longer necessary. Niue now has in place a counter-money laundering system that generally meets international standards, as reflected in the October 11, 2002 decision of the Financial Action Task Force on Money Laundering to remove Niue from its list of countries that are non-cooperative in the fight against money laundering.

The withdrawal of Advisory 22 does not relieve institutions of their pre-existing and on-going obligation to report suspicious activity, as set forth in regulations issued by FinCEN and by the federal bank supervisory agencies, as well as their obligation to comply with all other applicable provisions of law.
